

Dr. Mortimer R. Feinberg, Ph.D.
Industrial Psychologist – Executive Coach

Dr. Mortimer Feinberg has been dissecting the characteristics of extraordinarily effective leaders for over forty years. As one of the world's leading industrial psychologists, Dr. Feinberg is a consultant to numerous Fortune 500 companies and the U.S. governments well as universities in the United States and overseas. His articles appear regularly in leading publications and professional journals, including The Wall Street Journal, Dun's Review and Business Week. He is also the author or co-author of several best-selling books. Much in demand as a conference leader and speaker, Dr. Feinberg is a popular keynote speaker of the Young Presidents' Organization conferences held worldwide.
